

Therapeutic excellence through innovation—integration—collaboration™

Web Privacy Policy

Executive summary

Creative Health Solutions LLC uses information provided to us through the web only for the explicit purpose(s) specified. We do not share, show, sell, rent, lease or otherwise reveal your information to anyone other than our employees who have a specific need for access to provide you the service requested.

Assurance

Information collected from our web site(s) (as well as all our sensitive information) is safeguarded on secure servers with best practice electronic and physical protections.

Web information you provide for a specific purpose is only used for that purpose. We will not use your information for anything else.

Stated simply, we respect your privacy and put it first. Period.
