

Therapeutic Social Group Outing Permission Form

During Therapeutic Social Groups we will occasionally take your child on a planned group outing to Kutner Park, directly across the street from Creative Health Solutions. This park offers fields, a large playground, and wooded trails—all of which we can utilize during group sessions. We will maintain appropriate adult to child ratios at all times during outings. Please sign below to acknowledge that your child may participate in group sessions at Kutner Park.

Patient name (printed) _____

Adult guardian name (printed) _____

Signature _____ Date _____

Please list below anything we should consider when bringing your child on an outdoor outing including allergy information:
