

Healthcare Practice Receptionist/Administrative Support

Creative Health Solutions, founded and led by Judy Feingold, OTR/L, is an innovator in pediatric special needs therapies. Creative is friendly and nurturing with motivated and passionate staff.

This is a meaningful and personally rewarding opportunity for a full time Receptionist/Administrative Support person. This is a great position for a friendly, upbeat, outgoing, and caring person who learns quickly and helps out wherever needed.

In addition to reception responsibilities and medical record management, the candidate will provide administrative support.

Essential skills:

- Friendly and courteous.
- Excellent phone abilities and proficiency with office equipment.
- Ability to multitask and work independently.
- Computer use.
- Punctuality.
- Organization and time management.

Beneficial experience:

- Medical records management.
- Medical software.
- Wide variety of office skills including clerical support.

36 hour 4 day work week: 9:15 -7:15 Monday - Thursday with an hour lunch break.

Creative is a place to learn and grow; a place of excellence, a place where you will see positive results every day. Become part of a team that helps make better lives for children and their families...every day.

Excellent growth potential.

Candidates must submit their resume and complete and submit the application found on the careers page of our website:
